

500/550 North Meridian
500 North Meridian Street Indianapolis, IN 46204

From acquisition to occupancy, this asset demonstrates our unmatched ability to deliver outstanding results.

Ambrose Property Group closed on the purchase of 500 North Meridian in June 2014. The complex had been mostly vacant since its biggest tenant, Safeco Corporation departed in 2009. 500 North Meridian is a 400,000-square-foot, Class A, 7-story multi-tenant office building. Ambrose also purchased the 1,000 space parking garage adjacent to the office complex. Ambrose is aggressively returning this asset to full occupancy having completed elevator and lobby upgrades as well as adding a new cafe and state-of-the-art fitness center.
